## **The First Tee of Metropolitan New York**

The mission of The First Tee of Metropolitan New York is to impact the lives of young people by providing learning facilities and education programs that promote character development and life-enhancing values through the game of golf. As a partnership between the MGA Foundation and Metropolitan PGA, The First Tee of Metropolitan New York serves as the premier golf youth development organization in the Metropolitan New York region. TFTMNY services New York City, Long Island, Fairfield, Westchester, and Essex Counties.

The First Tee Life Skills Experience is one of the unique features that differentiates the First Tee from many other successful junior golf programs. These lessons for life are taught through a variety of golf-related activities designed with the primary goal of having fun. Participants learn about themselves and others through a range of experiences enhancing their golf skills as well as their fundamental values for life. There are a total of 5 levels of progress that tests both the participant's aptitude in golf skills and life skills.

The First Tee of Metropolitan New York is also dedicated to giving every child in its community the opportunity to learn and benefit from the game of golf. Unfortunately, many kids have not had the chance to play golf because of financial or other restrictions but with our support and your donations we can ensure every child has a chance to benefit from our programs. TFTMNY also has a number of volunteer positions to be filled if you are interested in assisting with instruction and life skill training of youngsters participating in the junior programs.

The First Tee of Metropolitan New York is a junior initiative committed to teaching juniors the game of golf and all of its great values, offering youngsters through golf instruction a seamless exposure to life skills values, promoting the game as a family activity, and developing not only new golfers, but better people.
